

Call for papers

SNB-CIF Conference on Cryptoassets and Financial Innovation 20–21 May 2021 – virtual conference

The Swiss National Bank (SNB) and the Center for Innovative Finance (CIF) of the University of Basel are inviting paper submissions for a virtual conference on Cryptoassets and Financial Innovation, to be held on 20–21 May 2021.

Possible topics include, but are not limited to:

- Impact of DLT technology and fintech on central bank policy and operations
- Impact of DLT technology and fintech on banking, financial markets and financial market infrastructures
- Central bank digital currencies
- Trusted digital identities and financial innovation

Authors are asked to submit their paper (English; preliminary or full version, including abstract, JEL codes, keywords and references) including the full name and contact information of the author(s). Paper proposals are due by 31 January 2021, and should be sent to finance.research@snb.ch.

Organising Committee:

Aleksander Berentsen, Center for Innovative Finance (CIF), University of Basel

Thomas Moser, Swiss National Bank

Fabian Schär, Center for Innovative Finance (CIF), University of Basel

Sébastien Kraenzlin, Swiss National Bank

Andreas Fuster, Swiss National Bank
